

PLYMOUTH TOWN BOARD

SPECIAL WORK MEETING

OCTOBER 25, 2021

PRESENT: Supervisor Grace Nucero-Alger
Councilman Daniel Meyer
Councilman Frank Williams
Councilman Garry James

Supervisor Alger brought the meeting to order at 5:30pm. The topic of discussion was the need for a working pick-up truck for the Highway Department. The Board was in agreement that the Town can not afford to purchase a truck at this time. Since the pick-up truck is primarily used to plow the Town Hall parking lot and the Town's fire hydrants, other options were discussed. Mr. Oakley was not present so Mrs. Alger said she would ask him to call each councilman and discuss the issue.

Mrs. Alger adjourned the meeting.

Respectfully submitted by,

Virginia E. Brown
Plymouth Town Clerk
