October 15, 2024

Resolved, that the Town Board of the Town of Plymouth having previously approved the 2022 expenditures of the American Rescue Plan (ARP) money on replacing the existing Highway Garage and offering premium pay, both as authorized by ARP guidelines, and the Town Board determined not to construct a new Town Garage at this time, the Town Board has decided to use remaining amount of ARP money of \$34,459.39 to offset part of the 2024 Highway Department expenses for social security, health insurance and payroll.
